

May 7, 2026

On May 2, 2026, the Connecticut General Assembly passed an adjusted budget for fiscal year (FY) 2027, which makes several changes to K-12 education funding. Included in the adjusted budget are **one-time** supplemental grants aimed at helping school districts and towns manage rising education costs and reduce the burden on local taxpayers.¹

The adjusted budget appropriates roughly \$173 million to towns under two separate supplemental grants that are based off the Education Cost Sharing (ECS) formula: 1) the Supplemental Education Aid grant and 2) the District Relief and Compensatory Use Learning Aid (DRACULA) grant. While the supplemental funding provided in the budget is one-time aid and **does not make permanent changes to existing education funding formulas**, the revised budget does provide a \$152.2 million increase to the ECS grant appropriation for FY 2028.²

Supplemental Education Aid Grant

Supplemental Education Aid grant amounts provided in the revised FY 2027 budget were calculated based on what districts would receive if a number of changes were made to the ECS formula. Grant amounts reflect how much towns would receive if the ECS foundation amount was increased from \$11,525 to \$13,087 and if the current Regional District and Endowed Academy Bonus was extended to towns that do not have a high school and pay tuition to a designated high school.³ Under these adjustments, 82 towns were calculated to receive funding in excess of the FY 2027 ECS grant. As a result, the revised FY 2027 budget appropriates to these towns as a Supplemental Education Aid grant the difference between this calculation and the town's FY 2027 ECS grant.

Additionally, the Supplemental Education Aid grant ensures all towns receive additional state education funding equal to **at least 2%** of their FY 2027 ECS grant amount. As a result, the 87 towns that were not calculated to receive increased state education funding under the adjustments outlined in the above paragraph, will receive Supplemental Education Aid grants equal to 2% of their FY 2027 ECS grants.

However, there were 12 towns that were calculated to receive increased funding with the foundation increase and Designated High School Bonus, but that increase in funding did not equal at least 2% of their FY 2027 ECS grant amount. As a result, these towns will

¹ S.B. 1 (An Act Concerning Affordability) as amended by Senate Amendment A (LCO #5762) and further amended by S.B. 477 (An Act Concerning the Failure to File for Certain Grand List Exemptions and a Municipal Option to Abate Delinquent Property Taxes on Certain Parcels of Land) as amended by Senate Amendments A (LCO #6140) and B (LCO #6173) and then further amended by H.B. 5563 (An Act Concerning Various Criminal Law Proposals) as amended by House Amendment A (LCO #5944) and Senate Amendment A (LCO #6252).

² The \$152.2 million increase in ECS funding for FY 2028 reflects the amount needed to provide a foundation increase from \$11,525 to \$13,087 and extend the Regional District and Endowed Academy Bonus to towns that do not have a high school and pay tuition to a designated high school. However, there is no statutory language distributing this funding.

³ The Regional District and Endowed Academy Bonus provides additional funding to towns that send students to a regional school district or one of Connecticut's three endowed academies. Towns receive \$100 per student, multiplied by the number of grades served by the regional district or academy. The Designated High School Bonus would apply to 18 towns. These towns are Bozrah, Brooklyn, Canterbury, Columbia, Eastford, Franklin, Hartland, Lisbon, Norwich, Pomfret, Preston, Salem, Sherman, Sprague, Sterling, Union, Voluntown, and Woodstock.

receive additional funding to reflect the gap between the Supplemental Education Aid they would have otherwise received and the 2% minimum. Table 1 below provides an example of this case.

Table 1: Montville Supplemental Education Aid Grant Calculation⁴

Component	Amount
2% of FY 2027 ECS Grant Amount	= \$12,802,864 * 2% = \$256,057 <i>(minimum aid amount)</i>
Amount Needed to Provide Foundation Increase and Designated High School Bonus	= \$201,389
<u>Additional</u> Amount Needed to Provide 2% Minimum	= \$256,057 - \$201,389 = \$54,668
<u>FINAL</u> Supplemental Education Aid Grant	= \$256,057

District Relief and Compensatory Use Learning Aid (DRACULA)

The second supplemental grant, the District Relief and Compensatory Use Learning Aid (DRACULA) grant, builds on the Supplemental Education Aid grant by providing additional state funding to ensure all towns receive increases in state education funding for FY 2027 that are equal to **at least 4%** of their FY 2027 ECS grant amount. However, **not all towns will receive funding under the DRACULA grant** as some towns already meet or exceed the 4% threshold.

Similar to the Supplemental Education Aid grant, there were nine towns that were calculated to receive increased funding with the foundation increase and Designated High School Bonus, but that increase in funding did not equal at least 4% of their FY 2027 ECS grant amount. As a result, these towns will receive additional funding to reflect the amount needed to provide them with total supplemental funding equal to at least 4% of their FY 2027 ECS grant amount. Table 2 on the following page provides an example of this case.

⁴ S.B. 1 (An Act Concerning Affordability) as amended by Senate Amendment A (LCO #5762) and further amended by S.B. 477 (An Act Concerning the Failure to File for Certain Grand List Exemptions and a Municipal Option to Abate Delinquent Property Taxes on Certain Parcels of Land) as amended by Senate Amendments A (LCO #6140) and B (LCO #6173) and then further amended by H.B. 5563 (An Act Concerning Various Criminal Law Proposals) as amended by House Amendment A (LCO #5944) and Senate Amendment A (LCO #6252).

Table 2: East Haven Supplemental Education Aid and DRACULA Grant Calculations⁵

Component	Amount
2% of FY 2027 ECS Grant Amount	= \$20,005,957 * 2% = \$400,119 <i>(minimum aid amount)</i>
Amount Needed to Provide Foundation Increase and Designated High School Bonus	= \$541,052
<u>Additional</u> Amount Needed to Provide 2% Minimum	= \$0 <i>(not needed since greater than 2%)</i>
<u>FINAL</u> Supplemental Education Aid Grant	= \$541,052
4% of FY 2027 ECS Grant Amount	= \$20,005,957 * 4% = \$800,238 <i>(minimum aid amount under DRACULA)</i>
<u>Additional</u> Amount Needed to Provide 4% Minimum	= \$800,238 - \$541,052 = \$259,186
<u>FINAL</u> DRACULA Grant	= \$259,186

⁵ Ibid.

Table 3 below lists the 12 towns that will receive additional funding to meet the 2% minimum threshold under the Supplemental Education Aid grant, and the nine towns that will receive additional funding through the DRACULA grant to meet the 4% minimum threshold.

Table 3: Towns Impacted by the Percent Minimum Thresholds Under the Supplemental Education Aid and DRACULA Grants⁶

Towns Impacted Under the Supplemental Education Aid Grant	Towns Impacted Under the DRACULA Grant
Barkhamsted Bethel Bridgewater Essex Goshen Montville Morris Prospect Roxbury Seymour Warren Washington	East Haven Easton Enfield Haddam Kent Ridgefield Shelton Sprague Stratford

⁶ Ibid.

Table 4 below shows the combined town-level impact of the Supplemental Education Aid and DRACULA grants, including the impact driven by the foundation increase, Designated High School Bonus, and the 2% and 4% minimum thresholds
